400	840	3514	M	Auto Ordnance Corp.	Mdl 1927-A1 Thomson Semi Auto Rifle	SN# KM2025	.45 ACP	#121 of 300. Texas Ranger Commemorative. 18.5" BBL. 40" OAL. On both sides of the Tribute is a highly-detailed Texas Ranger badge. Featuring the familiar Lone Star of Texas, it is inscribed with decorative scrollwork and etched with the proud designation of "Texas Ranger." Left side features a Ranger sitting atop his horse. For the Texas Rangers, horses were absolutely necessary for covering the wide expanses of land that made up the Lone Star State. The central image depicts a proud Texas Ranger posing alongside a trio of confiscated liquor stills. Alongside, a banner reads, "Prohibition" and "Gambling," two of the greatest problems for the Rangers during the early decades of the 20th century. Prominently featured is a heroic portrait of Captain Manuel "Lone Wolf" Gonzauillas beside a flowing banner bearing his name. A legend among the Rangers, Gonzauillas earned his reputation for acting much like a one-man army against the rampant crime spree in the 1920s and 30s. Right side features two Rangers pictured beside an official Ranger car and horse trailer, which both stand as fitting symbols of the two historic eras policed by the Rangers. Featured across the center is a sweeping banner reading, "Texas Rangers" and "They Knew Their Duty and They Did It," separated by the iconic "star in a wheel" badge design. This famous quote comes from John S. "Rip" Ford, a legendary Ranger. Behind the banner, a field of oil derricks sprouts up like a city skyline. Also featured is a block of building fronts that represent the typical Texas boomtown. On the far right a group of five Rangers is featured standing at the ready with their weapons of choice, including a couple Thompsons. All artwork is featured in 24-karat gold and nickel with a blackened patinated background. Includes Glass top presentation wood case. MD BANNED. Must be shipped out of the State of Maryland.

Majority of the pistols were manufactured between 1918 and 1947. Production of the model was halted in 1947. In the late 1980's the Norweigen Govt. began looking for a new pistol for its troop's. It appears that Norway wanted to evaluate its own manufacturing capabilities. The equipment that hadn't been used since 1947 was fired up and 20 Pistols were made in 1987. They picked up where the serial #'s had stopped 40 years before. All 20 of these pistols were imported to the United States by Benet Arms of Afton, VA. There were a total of 32,874 pistols made. This one is # 32870 making it the 5th from the last one ever made. 7 Shot Mag. Matching SN's. REGULATED.

Gun Transfer/Required Paperwork Information – If you have questions please ask before you buy.

1. All required Local, State & Federal laws will be adhered to in transferring any and all firearms in the auction sale. This is non-negotiable. If you do not want to fill out the required paperwork please do not purchase any item for which paperwork is required.
2. If you are not allowed by law to purchase or own a firearm for any reason do not purchase one. If you are not eligible to purchase or own a firearm it is your responsibility to know. There shall be no refunds of any kind if you are unable to transfer a firearm into your name or do not pass the background check. We will gladly resell the firearm at a time of our choosing.
3. The actual buyer of the firearm must fill out the required paperwork. Make sure when you check in you register under the name that the paperwork will be filled out in. You will need to bring your receipt to the FFL dealer and the name on the receipt must match the name the paperwork is being filled out in. It is against the law for you to fill out the paperwork in your name and then give the firearm to someone who may not be able to legally own that firearm. Known as a "Straw Purchase".
4. Identification/Photo ID required. You must bring a valid/current identification as to who you are in order to register for the auction and complete the required paperwork to transfer a firearm. This also applies to FFL Dealer & C & R License holders. Your name or business must be listed on the license in order to use it. Another person's license cannot be used by any individual other than the person/business named on the license to receive a firearm.
5. You must be at least 18 years of age to purchase a non regulated rifle or shotgun or ammo. You must be at least 21 years of age to purchase a pistol, regulated firearm (AR-15, AK-47ect...), pistol grip shotgun or Handgun Ammo.

Antique/Black powder Rifle/Pistol/Shotgun Information - Most Black powder Rifles, Pistols & Shotguns do not require any paperwork in the State of Maryland and can be handed out on the day of the Auction. There are a few exceptions! Some black powder firearms now use Smokeless propellant and are regulated. Some firearms that have interchangeable barrels are also regulated.

Curio & Relic Information - Some firearms may fall under the ATF Curio & Relics licensing and if they are purchased by an individual with a "C&R License" no paperwork is required. NOTE: Items that meet the age requirements but have been altered from their original configuration may NOT be delivered on a C&R License. The determination of whether a firearm falls under the "Curio & Relic" shall be made by the discretion of Jeff Smith of Smitty's Gun Shop (our FFL dealer) and his word shall be final.

Maryland Banned Firearms: Due to recent changes in Maryland's Firearm Laws some firearms in the Auction are banned for sale in the State of Maryland. These firearms can only be transferred out of State of MD to a resident of another State who lives in a jurisdiction where they are

able to legally purchase that type of firearm. It is the purchaser's responsibility to know if these firearms are legal in your State. Once delivered out of State these firearms will not be returnable to Maryland. These firearms must be Shipped to/Delivered to/Picked up by your FFL. Shipping Information for Firearms: It should be understood that items will be shipped as soon as they can be readied for shipment by the Auction Co. We are the FFL and are responsible for the shipment of Firearms to an FFL in your state. This is not an instantaneous process. Before anything happens we need a copy of your FFL's license so we know where we need to ship the firearm. With the size of the Auction and the Paperwork required it is normally 7-10 days before items start to be shipped. Depending on the amount of Online Bids/Firearms that require shipment this process can take 2-3 weeks to ship all of the firearms. Firearms being shipped by the FFL will include any firearm that uses a propellant to fire a projectile and will include Modern, Antique, Regulated, B. Powder & C&R firearms.

Shipping for Non Firearm Items: Allen & Marshall Auctioneers **will not** handle the shipping of Non-Firearm items. All Non Firearm items that require shipping will be out sourced to the UPS Pack and Ship Store located in Salisbury, MD. You will be responsible for Paying the UPS Store directly. It should be understood that shipping is very expensive. Allen & Marshall Auctioneers has no affiliation with the UPS Store and as such we have no control over the cost of shipping charges. High Capacity Magazines: NO High Capacity magazines (Over 10 Rds) can be handed out at the Auction. Some firearms in the Auction have Magazines with a Capacity over 10 Rds and we may be selling High Capacity Mag's. These Magazines can't be handed out in the State of MD. If you purchase one of these firearms or magazines we can ship your magazines out of the State of Maryland to a Destination of your choosing (Where they are legal of course)! This shipping (At your cost) will be provided by the FFL/Auction Co. to Ensure that the Magazines are properly removed from the state. At that point it's your responsibility what you do with them.

Transfer time frames: Most Non-Regulated Rifles & Shotguns can have an instant Federal Background Check completed at the time of sale and you can take the Firearm with you the Day of the Auction (MD, DE, VA, WV & PA Residents Only). For MD Residents it is imperative that prospective buyers attain an HQL license from the MD State Police. This HQL card is required to be shown to the FFL prior to filling out of paperwork. ***It should be understood that the Maryland 7 Day Waiting Period begins on the day that the paperwork is submitted to the State Police. It may take us a week + to get the paperwork finalized and submitted. At the earliest I would not expect MD Handgun Paperwork to start coming back for 14-18 Days after the Sale Date. If you want it quicker we will gladly ship it to another FFL Dealer for them to process. They can also pickup the firearm directly from us.***

HQL – Handgun Qualification License for MD Residents- MD Handgun/Regulated Firearm purchasers must attain & possess the HQL (Handgun Qualification License) in order to purchase/fill out the required MSP Paperwork at a participating dealer. Visit <https://www.mdsp.org/> for information on attaining the HQL. You must have the HQL card with you in order fill out the Required Firearm paperwork. You should have an HQL if you intend to purchase a handgun & are a MD Resident (State Law since 2013) If you purchase a handgun & don't have an HQL a storage fee will be incurred. The storage fee will be \$2 per day for a period of 30 days not to exceed \$60. From Day 31 on there will be a \$5 per day storage fee per firearm stored. This fee will stop when you present us your HQL in person & can complete the required paperwork. If you do not provide us an HQL in a timely manner storage fee's will accrue & continue to be charged until the purchase price of the firearm has been exceeded. At that time the firearm belongs to the Auction Co. This can be negated if you provide us an FFL to ship your firearm to that is willing to hold your firearm until you get your HQL. We apologize but people have been using the Auction Co. as a Storage Facility and many don't follow through with attaining the HQL. If you purchase a handgun and don't possess an HQL or meet one of the criteria that exempts you a form will be filled out at the time to ensure that you understand and will comply with this policy.
