Auctioneer's Note: Elmer F. Hastings founded Hastings Hatchery in 1917 and by the mid 1950's the hatchery had grown to be one of the largest hatcheries in the country with locations in Maryland, Georgia and Arkansas. Mr. and Mrs. Hastings were avid collectors of fine antiques and purchased only the most genuine items while travelling on business throughout the United States and other countries abroad. Over the period of their lifetime Mr. and Mrs. Hastings amassed a collection rivaling any other in the area. From fine porcelains and bronzes to artwork, period furniture and Persian carpets, simply put, if they liked something they bought it, no matter what the price. This is part one of a two-part auction sale. Never has a collection of this magnitude and historical importance been offered here locally on the Eastern Shore. Allen & Marshall Auctions is pleased to offer this exquisite private collection at a once in a lifetime completely cataloged public auction and cordially invite you to join us for an unforgettable auction event!
