1. All required Local, State & Federal laws will be adhered to in transferring any and all firearms in the auction sale. This is non-negotiable. If you do not want to fill out the required paperwork please do not purchase any item for which paperwork is required.
2. If you are not allowed by law to purchase or own a firearm for any reason do not purchase one. If you are not eligible to purchase or own a firearm it is your responsibility to know. There shall be no refunds of any kind if you are unable to transfer a firearm into your name or do not pass the background check.
3. The actual buyer of the firearm must fill out the required paperwork. Make sure when you check in you register under the name that the paperwork will be filled out in. You will need to bring your receipt to the FFL dealer and the name on the receipt must match the name the paperwork is being filled out in. It is against the law for you to fill out the paperwork in your name and then give the firearm to someone who may not be able to legally own that firearm. Known as a "Straw Purchase".
4. Identification/Photo ID required. You must bring a valid/current identification as to who you are in order to register for the auction and complete the required paperwork to transfer a firearm. This also applies to FFL Dealer & C & R License holders. Your name or business must be listed on the license in order to use it. Another person's license cannot be used by any individual other than the person/business named on the license to receive a firearm.
5. You must be at least 18 years of age to purchase a non regulated rifle or shotgun or ammo. You must be at least 21 years of age to purchase a pistol, regulated firearm (AR-15, ect...), pistol grip shotgun or Handgun Ammo.

The determination of whether a firearm falls under the "Curio & Relic" shall be made by the discretion of Jeff Smith of Smitty's Gun Shop (our FFL dealer) and his word shall be final.

Maryland Banned Firearms: Due to recent changes in Maryland's Firearm Laws some firearms in the Auction are banned for sale in the State of Maryland. Those firearms will be Notated that way in the catalog as they are not transferable to Residents of Maryland. These firearms can only be transferred out of State of MD to a resident of another State who lives in a jurisdiction where they are able to legally purchase that type of firearm. It is the purchaser's responsibility to know if these firearms are legal in your State. Once delivered out of State these firearms will not be returnable to Maryland. Depending on the amount of Online Bids this process can take 2-3 weeks to ship all of the firearms requiring shipment.

High Capacity Magazines: Some firearms in the Auction have Magazines with a Capacity over 10 Rds. These Magazines can't be handed out in the State of MD. Transfer time frames: Most Non-Regulated Rifles & Shotguns can have an instant Federal Background Check completed at the time of sale and you can take the Firearm with you the Day of the Auction (MD, DE, VA, WV & PA Residents Only). For MD Residents it is imperative that prospective buyers attain an HQL license from the MD State Police. It may take us a week + to get the paperwork finalized and submitted. At the earliest I would not expect MD Handgun Paperwork to start coming back for 14-18 Days after the Sale Date. If you want it quicker we will gladly ship it to another FFL Dealer for them to process. They can also pickup the firearm directly from us.***

HQL – Handgun Qualification License for MD Residents- MD Handgun/Regulated Firearm purchasers must attain and possess the HQL (Handgun Qualification License) in order to purchase/fill out the required MSP Paperwork at a participating dealer. After 60 Days from the date of Purchase you will be charged a \$50 per month Storage fee for up to 4 Months.
