Any bidder with a reputation lower than +1 will have their auction bid permission set to pending. We will verify your information if you are a new bidder with a reputation of "0". Once approved or declined you will receive an email confirmation. If you have a negative user rating/score on Hibid or Proxibid the Auction Co. at its sole discretion may decline any and all bids placed by your account. As a last resort if we find you to be a non paying bidder or using fraudulent registration and/or credit card information you may be permanently declined from bidding at our auctions.

Once a new HiBid customer has participated/purchased items in a few auctions you will start to build up positive feedback with a successful pay and pickup transaction. Once you have a positive feedback rating your account will normally be automatically approved for auctions conducted on HiBid by A&M Auctioneers for a preset bidding amount. That amount is normally equal to the highest priced item in the Auction. If we have a vehicle that is worth \$4,000 we would say that \$5,000 would be the maximum high bid that would automatically be approved on your account. Anything above that would require approval.

NOTE: If you are a new bidder to HiBid/A&M Auctioneers with a "0" feedback rating we will verify your registration information and assign your account a Maximum Preset High bid (Per Item) amount. This amount will be a Maximum of \$500 per item and will depend on the Auction. This pre-approval amount will be reflected in the Bidder Acceptance email once your account has been approved. We recommend that when bidding place yours bids early so that you will know that your bid will be accepted. Don't wait until the final minute before the item closes to try to bid. In this scenario for example if you had been approved for a \$500 max high bid per item and the bidding is already over \$500. If you bid \$750 your bid will be set to pending, a notification is sent to us, and it is nearly impossible to act upon that less than 60 Seconds. If you know you will be bidding higher than the amount that you were approved for in the email contact us prior to the item ending and we can make a manual change.

NEGATIVE FEEDBACK NOTE: If a bidder has a Negative interaction with an Auction Co., that Auction Co. may leave Negative Feedback on the bidders account. Other Auctioneers including A&M Auctioneers can view this feedback on the bidders account. A&M Auctions keeps careful watch over prospective bidders feedback during the registration and online bidding process. We will generally not allow a prospective bidder to register that has negative feedback on their account. This is especially true if the feedback mentions Non Payment, Credit Card

Declines, Customers not picking items up and Chargebacks. A&M Auctions reserves the right to deny and or revoke the bidding privileges for any prospective bidder at any time during or after the registration process & up to the time that an Auction Item is scheduled to close.

If you are not comfortable or willing to register online which includes placing a credit card on file on our Secure Web server you may enter bids in person at our facility. Bids must be in writing and are legally binding just the same. A Valid Credit Card will still be required on the bid form. Valid Identification will also be required if you are unknown to the Auction Co. We will upload the bids placed by you on your behalf onto the online bidding server.

4. All items offered online will have a minimum starting bid as displayed in the online catalogue. Online bids lower than minimum will not be accepted.

5. **CATALOGUE ERRORS & OMISSIONS:** If a description does not match a picture in a lot, the description takes precedence. If you find an error please contact the Auction Co. and we will attempt to rectify it. All items are sold on an "as is, where is" basis, with all faults. In the event an item was listed in error or an item can't be located during pick up for any reason, the bidder agrees that their maximum recourse is a full refund of the item in question and that all other items bid on remain binding. By bidding you are acknowledging agreement with the terms above. Do not bid unless you agree to all of these terms. The Bidder is responsible for knowing which item is being bid on. If the Bidder is unsure, they should inquire or not bid. When becoming the winning bidder at auction you have effected a contract and will be expected to pay for items in which you were evidenced to be the successful bidder. Auctioneer will not honor "mistakes".

6. **REVIEWING YOUR BIDS:** During an auction you can check the status of your bids at anytime by logging into online server. Please be careful when placing bids. Placing a bid is a two step process. When you click bid button it will pull up a window verifying that you want to place that bid. If you want to place the next bid increment that the computer is asking for you can do that. If you desire to increase the amount of your bid this screen will allow you to bid a higher amount. Ensure that you type in the correct amount. If you make an error the Auction Co. can attempt to correct it, but it has to be in a timely manner before the item closes. In order to make a correction you must contact the Auction Co. at 410-835-0384. We have a staff member in the office during all online auctions. You are responsible for the bids that you place. Note that no bids can be withdrawn after the auction for any reason.

7. **PROGRESSION OF THE AUCTION:** Auctions are typically uploaded to the HiBid Auction Platform 30-45 days before the auction is scheduled to end. Some short notice auctions may be online for only 15-30 Days. Each Auction will have a scheduled time that each auctions

7-31-24 Online Auction-2241 Worcester Hwy, Pocomoke City, MD 7/31/2024

items will begin closing. If an auction starts closing on a Wednesday night at 5 PM the first lot will be scheduled to close at that time. Depending on the quantity of items in the Auction lots may be scheduled to end anywhere between 20 to 60 seconds a part. Each lot will show a scheduled ending time. If no one bids in the final minute before a lot is scheduled to close that lot will close out. If someone bids within the final minute before that lot is scheduled to close, 1 Extra minute will be added to that lot and that lot only to allow additional time for people to bid. The remaining lots behind that lot will continue to close as scheduled unless someone bids in the last minute on that specific lot as well. This is done to prevent a bidder from 'sniping', all bids made in the last minute of the auction will force an item to stay open for an additional 1 minute. This gives the back bidder additional time to increase his/her bid if desired. This process will continue until all bidding has ceased on no one bids within the additional minute that was added.

8. **PAYING FOR YOUR PURCHASES:** Generally you will receive an "UNPAID" Auction Invoice on the day/night of the Auction immediately following the sale via email. The invoice/email will include information about the Auction Pickup information. You are responsible for checking your email/logging in to HiBid to verify if you won items. We process charges to the Credit Card placed on file at registration for your purchases by 10 AM the morning following the auction. We print the invoices once they are paid. You will receive your "Paid in Full" invoice at the scheduled pickup date/time. When you arrive at the pickup location find the Registration table. (Normally inside the home/Building) You will sign your invoice and then the A&M Staff will show you to your items and provide you with your paid invoice once completed. You are responsible for verifying that you take all of your items from the auction site.

ACCEPTABLE FORMS OR PAYMENT: Effective immediately we are only accepting payment for online only Auction via the Credit Card on File with HiBid/Proxibid. We are no longer accepting alternate forms of payment. We are having weekly instances of bidders requesting to pay at pickup and then not showing up at the pickup to retrieve or pay for their items. We are then stuck with items that we have not been paid for. For this reason we are requiring that all invoices are paid in full prior to the Auction Pickup date.

Please verify that you have funds available on the Credit Card that you register with. All purchases will be charged to the card that you choose at registration. We only have access to the card that you choose. You can place more than once card on file but we only have access to the card that you chose at registration. If you know that you don't have the funds available on the card on file please contact us before we process payments the next morning and provide a different card. You can also pay an invoice via Paypal if you have a Paypal account. Our email address for Paypal is jeff@amauctions.com.

Effective immediately if we have a card decline for an Auction Purchase there will be a \$30 Service charge added to the bill as we then have to contact you and arrange an alternate form of payment.

We have also had a few bad checks recently and for this reason we are only processing payments on the credit card on file in the future. If for what ever reason we do accept a check from you and that check bounces there will be a \$30 Service charge. If you have any questions or concern's please contact us at 410-835-0384.

9. **BIDDING NOTIFICATIONS:** You can choose to be notified by e-mail during the auction if you have been outbid. Please note that outbid notifications are NOT sent out during the last two hours of the sale. You can watch each item end. If you are the high bidder on an item the item will be highlighted in Green in the Live Auction area. If the lot changes from green to red it means that you have been outbid and would need to bid again At a higher bid. The item will not change back to green until you have surpassed the high bid that the back bidder placed.

10. **RESERVE:** Seldom are items sold with Reserve. If an item is being sold with a reserve, it will be clearly marked and identified. For items sold with a 'reserve', you will be required to pay a minimum amount in order to win the item. An example would be a Titled vehicle that has a lien. We must attain a sufficient price for which the vehicle can be paid off and we can then provided marketable title.

11. **Local Pickup** is recommended. There will be no Shipping available for this Auction to be provided by the Auction Co. in most circumstances. Prompt pickup from the Auction Site is required. Buyer responsible for bringing all Tools, Manpower, Boxes & Packing materials to remove the items in a timely manner.

IF YOU ARE UNABLE TO PICK THE ITEMS UP YOURSELF YOU MUST NOTIFY THE AUCTION CO. BY REPLYING TO THE INVOICE EMAIL AND DESIGNATE THE PERSON THAT WILL PICK YOUR ITEMS UP FOR YOU. YOU SHOULD ALSO PROVIDE A CELL PHONE # FOR THAT PERSON SO THAT WE CAN CONTACT THAT PERSON SHOULD THE NEED ARISE.

12. **REMOVAL OF ITEMS:** All items are sold in place. Items will be available in the condition that they were photographed. Buyers are responsible to remove items in a good workmanlike manner. You must bring any and all tools, equipment required to remove any items you purchase. You must bring any required labor to assist in carrying your items from the home to your vehicle. We will have staff onsite to assist buyers in finding their items, but they will likely not be available to assist in any way with removal of your items. Please plan ahead and come prepared. You are expected to bring boxes, packing materials, tape, tools, wheel carts, dollies or anything else needed to remove your items in a timely manner. Any items not removed by the times shown will be deemed abandoned regardless of the price. Any plumbing must be shut

7-31-24 Online Auction-2241 Worcester Hwy, Pocomoke City, MD 7/31/2024

off before being disconnected and any electrical that is disconnected must be capped. If you can't pick your items up during the time scheduled, you are responsible for designating someone to pick your items up during the time that we are scheduled to be there. Many of these auctions are conducted offsite in a consignor's home. We have contracted with that person the dates that we are provided access to the home.

Bring back of items purchased at an Onsite Auction. If you want your items returned to our Auction Facility/dropped off at a shipper we can provide that service for a fee. **YOU MUST COORDINATE THIS WITH THE AUCTION CO. PRIOR TO THE AUCTION PICKUP.** This way we can determine the hauling/bring back fee and charge that at the time we process payments for the purchases. We can also then coordinate the trailer size, packing materials, padding, manpower required to remove your items from the Auction Site. We also secure, pack and remove those items from the Auction Pickup Site prior to the local pickup attendee's arriving so that your items are Safe & Secure.

If you purchase large groups of items for Example: A Room lot, a Closet Lot, A Garage or Shed lot, Contents of a China Cabinet, etc... please ensure that you are able to pick those items up at the Auction Site during the designated pickup time. We are willing to haul smaller lots that will fit into a 12 Gallon plastic tote but we are not willing to haul a Large Room lot. It's not logistically and financially cost effective for us to do so. We often have large groupings of Glassware that are sold together as a lot. It is impractical for the Auction Co. to wrap large groupings of fragile/breakable items and then transport them. Please ask about hauling prior to bidding of these types of lots or just be willing to pick them up at the Auction Site.

We pack items that we are hauling back to the Auction Facility/To the shipper in Plastic Totes and use Bed/Puppy pads to wrap fragile items. Once delivered to the UPS Store they will unload the items and use their own boxing/wrapping materials to protect your items during shipment.

AGAIN YOU MUST NOTIFY THE AUCTION CO. IF YOU NEED YOUR ITEMS BROUGHT BACK WITH US/DROPPED OFF AT A SHIPPER. DON'T JUST EXPECT THAT WE CAN READ YOUR MIND.

If we are not notified prior to the Auction Pickup day that you require this service that is considered a "NO SHOW"

NO SHOW AT THE AUCTION PICKUP (ONSITE AUCTION AWAY FROM THE A&M AUCTION FACILITY). We are having problems with winning bidders not picking up their items at the Specified Auction Pickup Site, Date & Time.

THERE WILL BE A MINIMUM \$15 CHARGE PER LOT FOR A NO-SHOW AT THE SCHEDULED PICK-UP SITE. If you are a No

Show at the Auction Pickup and we bring your items back to the Auction Facility or have to Dispose of them there will be a Minimum charge of \$15 per small item to do this. This fee will correspond to our return fee depending on the size of the lot. A&M Auctions will determine if the items are brought back or disposed of.

REPEAT NO SHOW VIOLATIONS: We are now keeping track of customers that have a serial No Show history. Most do not contact us ahead of time, they just don't show up at the specified location/date/time. Then we have to remove their items from the Auction Site. For those customers the No Show fee will increase by \$5 for each time they are a no show. Its \$15 for the 1st violation and \$5 will be added for each subsequent No Show Violation.

NO SHOW AT THE AUCTION PICKUP (AUCTION @ THE A&M AUCTION FACILITY). THERE IS A \$15 CHARGE PER LOT FOR A NO-SHOW AT THE SCHEDULED PICK-UP. If you are a No Show at the Auction Pickup there will be a Minimum charge of \$15 per small item. This is basically a storage fee!

You have been advised of the Preview and Pickup dates prior to the auction. If you are unable or unwilling to pickup your items during the scheduled time please don't bid on the items unless you provide someone to pick your items up for you.

FORFEITURE OF ITEMS: We are experiencing problems with bidders picking up their items on the Scheduled Auction Pickup Date/Time/Location. Effective immediately we are instituting a new item pickup policy. Most of our Onsite Auctions are conducted on Wednesday with a Pickup 2-3 days later on either a Friday or Saturday depending on the Auction. From this point forward you will have one week from the date of the Auction to pick your items up or arrange shipping. Items that are not picked up or shipping arrangement made will be considered forfeited at close of business on the 7th Day. Satisfactory communications is everything with this policy. We realize that things happen sometimes and are normally willing to work with you, but you must communicate with us. If our emails and phone calls go unanswered you leave us with no choice.

13. SHIPPING: A&M Auctioneers and Appraiser's does not ship general auction merchandise, however shipping is available through one of four 3rd Party Shippers we typically utilize. They include the UPS Pack and Ship Store of Salisbury, MD/Delmar, DE & the Parcel Plus Store in Rehoboth Beach, DE & Craters & Freighters of Baltimore. We can transport items back to our facility from the Auction Pickup site and then deliver the item(s) to a shipper for you for a fee. We deliver items once a week typically on Tue/Wed. You will pay the shipper directly for any

7-31-24 Online Auction-2241 Worcester Hwy, Pocomoke City, MD 7/31/2024

and all costs associated with getting your items to you. Shipping has become very expensive. We have no control over the cost of shipping items. Please bid accordingly. We can't provide you with shipping estimates. There may be large items in this auction that are not shippable by regular means and will require local pickup or for you to arrange a freight hauling/Professional moving service. There will be no refunds if you choose not to have your items shipped.

SHIPPING NOTE Firearms: The Auction Co will remain responsible for the shipment of items to include Any and All firearms (Handguns, Rifles & Shotguns). Per ATF regulations we are responsible for shipping these items to another FFL in your State in most cases.

SHIPPING NOTE HIGH END JEWELRY, GOLD/PLATINUM ITEMS: The Auction Co. will also be responsible for the shipping of most High Dollar Jewelry items including Gold/Platinum, Rare Gemstones, Gold Coinage and similar items. We have had a few recent experiences with fraudulent bidding activity with Gold, Silver & Jewelry Purchases. If we suspect any fraudulent activity we reserve the right to hold these items until we can determine the validity of the purchase. This can be accomplished on our end by contacting the Card Issuer and having them contact the buyer to verify the purchase if needed. We will not ship these items to any address other than the verified address associated with the Credit Card.

SHIPPING OF LARGE ITEMS: It should be understood that shipping is available on Most but not all items being sold. Large/Oversized items will require specialized handling and will be very expensive to have shipped. If you require shipping on large furniture sized items they likely will have to be crated and shipped via freight. Craters and Freighters of Baltimore (Halthorpe) in Baltimore County can do this. They are 121 miles away from our Auction Facility. They can pick items up and take them back to their home base to be crated and readied for freight shipment.

14. RISK TO PERSON AND PROPERTY: BY REGISTERING AS A BUYER, YOU AGREE THAT A&M AUCTIONEERS & APRAISERS, LLC & THE SELLER/CONSIGNOR ARE NOT LIABLE TO YOU FOR ANY DAMAGE TO THE ITEMS YOU PURCHASED, YOUR OTHER PERSONAL PROPERTY, OR FOR INJURY OR DEATH. Please take care of yourself and your items as you have released us from liability. We will not be liable for damage or injury to individuals or their property. Purchaser assumes all risk and liability whatsoever resulting from the use of the item(s) sold hereunder; and shall defend, indemnify, and save harmless Auctioneer and Seller from any liability.

15. AUCTION RECORDS: In the unlikely event of a dispute, you agree to accept as true the information that we have in our records.

16. ADDITIONS & DELETIONS: We reserve the right to remove and/or add lots and/or items to the sale at any point during the auction.

17. The Auctioneer reserves the right to accept bids in any increment he feels is in the best interest of his client, the Seller. The Auctioneer reserves the right to reject the bidding of any person whose conduct, actions, or adverse comments he feels are not in the best interest of the Seller.

18. Titles will be disbursed on Auction Day/Auction Pickup Day only if payment is made in Cash, Cashies/Certified Bank Check or Credit Card. If you pay with a Personal or Business Check the Title will be mailed to you or you can pick the Title up when the check clears the bank. This will take approx. 10 days for a personal or business check. If you replace a personal check with a local bank/cashier's check we will be able to hand you the title at that time. If Seller cannot deliver good and marketable title, Seller, in Seller's sole discretion, will have 45 days from the date and time of notification to correct any title defect or flaw. If Seller is unable to convey marketable title at the conclusion of the 45 Days, Buyer's sole remedy shall be the return of the purchase price upon return of said merchandise. This can include the creation of a Bill of Sale through the MD Department of Motor Vehicles or MD Department of Natural Resources if it is required.

19. SALES TAX: Sales tax will be added to the purchase of all taxable items. Dealers who purchase for resale must file their resale permit numbers. If you are Maryland Dealer you are required to have a Valid Sales & Use Tax License with the State of Maryland. We are required to verify that the license is Valid before deducting Sales Tax. We will verify the Tax # that you provide and print a Blanket Resale form for you to sign. This needs to be completed before the billing process is initiated. You can't use someone else's Sales & Use License. For Bidders from another state we are required by the State of Maryland to have a copy of your State Business License/Tax License on file in order not to charge Tax.

BUYER'S PREMIUM: A premium of 18% of the bid price will be added to the price of each item purchased. Taxes are calculated AFTER the buyer's premium. The Bidders Payment Type will not affect the Buyer Premium at an Online Only Auction. The buyer's premium includes commissions and/or fee's retained by the Online Bidding Platform company. The Buyers Premium will be listed in the Advertisements, in the information packet and in the bidding platform.

20. If the foregoing conditions or any other applicable conditions are not complied with, in addition to other remedies available to Auctioneer and Seller by law, including without limitation, the right to hold the purchaser liable for the bid price, the Auctioneer, at their option may (1) resell the property publicly or privately, with purchaser being liable for the payment of any deficiency plus all costs incurred, or (2) cancel the sale, retaining liquidated damages on all payments made by purchaser, Auctioneer commission and all other incidental damages will be charged.

How does the Auction progress?

This is an Online Only Auction held on the A&M Auctioneers website. Bids will start closing at 5 PM on WEDNESDAY July 31th, 2024. One lot will end every 45 Seconds.

Let's say you are interested in Lot #2 the "Whatchamacallit". At any time after the Auction is Uploaded onto the Online Server you could register, log in and place a bid on Lot #2. You will have the option of putting in a starting and maximum bid. Other bidders can bid on the same item at any time. Let's say the current bidding is at \$500. If you put a Starting bid of \$525 on the lot someone can come along and leave a bid of \$550 and knock you out. If you put a starting bid of \$525.00 and a maximum of \$2,000.00 the computer would bid for you up to your maximum bid. If competitive bidding occurs the computer would keep bidding for you until it reached your Maximum bid of \$2,000.00. At that point you would be out. **NOTE: THE REGISTRATION PROCESS CAN TAKE 10-15 MINUTES.**

At 5 PM on 7/24/24 the items will begin to tick off, 1 lot every 30 Seconds in the live auction. With 192 lots the auction will last about 2.25-2.5 Hours. Say for example you put a starting bid on Lot #2 of \$525.00 with a Maximum of \$2,000.00. Let's assume there was competitive bidding during the several week period before the auction and the bid is up to \$1950.00. At Approx. 5:00 PM the lot will come up and show that it is ending. If someone bids \$2,000 it would show that they have been outbid and you would be put in for \$2,000.00. The bidding would be extended by 1 minute to allow the person to bid again. If they were to bid \$2050.00 that would exceed your maximum and you would be out. The computer would extend the bidding by 1 minute to allow you to bid. You would have to be online and logged into the auction to see this happen. This process will continue until one person stops bidding or doesn't bid before the time runs out.

The Auction will continue to progress while bidding continues on a particular item such as lot 1. Lot 2 would start to close at 5:00:45 PM. If no one bids in the 1 minute lot 2 could close before lot 1 does. The next 8-10 items will appear on the screen and will automatically update the bid status. When a lot closes it will drop off to the left of the screen and the next lot will appear on the right.

NOTE: Approx. 30 Minutes prior to the start of the auction a Live Auction area will open. There will be a flashing link on the right of the screen where the View Catalog was.

Click the Live Catalog Button. The screen should be arranged similar to the screenshot below. As an item closes it will melt off the screen to the left and the next lot in numerical order will be added at the bottom. The screen should refresh itself automatically adding new lots as the old lots close. Each lot will feature a countdown clock showing the time remaining before the lot closes.

Sample Layout of what the Live Catalog Bidding screen will generally look like.

Please be careful when bidding. Placing a bid is a 2 step process. When you click bid button it will pull up a window verifying that you want to place that bid. If you desire to increase the amount of your bid this screen will allow you to bid a higher amount. Ensure that you type in the correct amount. Once you place that bid you can not change it. If you make an error I can correct it, but it has to be in a timely manner before the item closes. You must contact me at 410-835-0384. You must secure your account Username/Password & YOU are responsible for all the bids that you place, as "ALL BIDS/SALES ARE FINAL".

If you have any questions during the auction feel free to call us at 410-835-0384 or 410-835-0383 or email jeff@amauctions.com. Someone is in the office during the Online Auctions to monitor them.
